Skills Development

In which of the following areas could your organisation benefit from developing new skills, knowledge and/or tools in:

Please rank the following options with 1 being the highest priority for skills development and 9 being the lowest.

You must complete this section but it will not affect how your application is assessed

	Good Governance: e.g. legal structure; decision-making; Leadership; risk management
	Trustees: e.g. recruitment, induction, management and retention
	Developing Strategies: e.g. fundraising; organisational development; business planning
	Finance and Financial Accountability: e.g. good record keeping; understand charity reporting; effective budgeting
	Income Diversification and Fundraising: e.g. Moving away from grant reliance and explore new sources of income
	Monitoring and Impact Measurement: e.g. long-term outcomes; social impact; measuring and communicating success
	Communicating and Building Relationships e.g. building allies and partnerships, communicating about your work; understanding who influence change, supporting your advocates
	Growing Your Organisation: e.g. developing more services, expanding existing organisation; developing people; developing organisational culture
	Diversifying Your Audience: e.g. being more inclusive and reaching more intersecting communities in your work

Please tell us about any specific area of your organisations or skills development you think would benefit your organisation and help to make it more sustainable.
